(2) Keep an accurate computerized record or record in ink on forms provided by the department of the following:

(A) Full name and address of each person from whom foxes or coyotes are obtained.

(B) Date and number of foxes and coyotes purchased and released into the dog training ground.

(C) Date of mortality or discovery of mortality and proximate cause of mortality of any fox or coyote.

(D) Date and time of each dog training activity and field trial that includes the number of dogs released during each activity or field trial conducted under [IC 14-22-24](#) and section 7 of this rule.

(3) Allow foxes and coyotes to roam freely within the training ground and not house the animals in temporary confinement facilities except for a licensed veterinarian to provide temporary medical care to a diseased or injured coyote or fox.

(4) Treat or euthanize foxes or coyotes that appear to be diseased by a method approved by the division of fish and wildlife.

(5) Notify the department regarding any unusual mortality or detection of any disease involving any species of wild animal within the dog training ground within twenty-four (24) hours of becoming aware of the mortality or disease.

(6) Provide supplemental feed or a complete feed ration to prevent:

(A) malnutrition;

(B) poor body condition;

(C) debility; or

(D) stress;

when adequate natural food sources are not available to meet the nutritional needs of each fox or coyote on a daily basis.

(7) Provide man-made or natural windbreaks, shelters, and shades to protect the foxes and coyotes from extreme elements of heat, cold, or wind at all times.

(8) Provide fresh, clean drinking water through natural or man-made sources on a daily basis.

(k) A dog training ground permitted under subsection (a)(2) shall comply with the following requirements:

(1) The perimeter of the dog training ground shall be completely fenced as follows:

(A) Fencing shall be of sufficient design, strength, weave, and construction to prevent the escape of any coyote or fox possessed.

- all gates shall remain closed and secure except when authorized individuals, dogs, or equipment are traveling through the gate.
- (5) Escape areas shall be provided for the foxes and coyotes as follows:
- (A) A minimum of one (1) dog-proof escape area (culvert, brush pile, or other suitable structure) shall be provided for each:
 - (i) twenty (20) acres within the training ground; or
 - (ii) captive coyote or fox released into the training ground;
 whichever is greater.
 - (B) Escape areas must not be located immediately adjacent to each other.
 - (C) Escape areas must be available for use by any foxes and coyotes any time dogs are present in the training ground.
- (6) Operation shall comply with the following:
- (A) Any dog released into the training ground must be vaccinated under Indiana law.
 - (B) Any individual releasing dogs in the dog training ground must possess a valid hunting license issued under [IC 14-22-12-1](#) unless the individual is exempted from licensure under [IC 14-22-11-1](#).
 - (C) Foxes and coyotes within the training ground must be allowed eight (8) consecutive hours of rest in a twenty-four (24) hour period.
 - (D) The training ground must not be used for more than sixteen (16) consecutive hours in a twenty-four (24) hour period for dog training purposes and not more than eight (8) hours a day during a field trial licensed under [IC 14-22-24](#) and section 7 of this rule.
 - (E) Prior to being chased, all foxes and coyotes must be provided a minimum of seven (7) days to acclimate to the training ground.
 - (F) All foxes and coyotes released into a training ground must be a minimum of seven (7) months of age.
 - (G) When more than one (1) coyote or fox is released into the dog training ground, all additional animals of the same species that are of a different sex must be spayed or neutered or otherwise have their reproductive function altered by a licensed veterinarian prior to release into the dog training ground.
 - (H) Foxes and coyotes within a training ground may be chased with dogs but must not be chased with the intent to capture or kill.
 - (I) Not more than:
 - (i) seven (7) dogs for each coyote or fox; or
 - (ii) one hundred seventy-five (175) dogs total;
 whichever is greater, shall be placed or allowed to be placed within the training ground at any one (1) time.
 - (J) No individual or dog may molest, harass, or chase a fox or coyote utilizing an escape area within the training ground.
 - (K) Not more than one (1) coyote or fox per five (5) acres or sixty (60) total may be known to be present or maintained within the dog training ground at any one (1) time.

~~(h) A person issued (I) As follows, a permit holder under: this section:~~

- (1) Subsection (a)(1) shall not sell or possess a bobwhite quail or ring-necked pheasant in captivity for more than five (5) days unless the person possesses a valid game breeder license under [IC 14-22-20](#) and section 4 of this rule.
- (2) Subsection (a)(2) shall not:
- (A) sell;
 - (B) trade;
 - (C) barter;
 - (D) gift;
 - (E) release into the wild; or
 - (F) intentionally allow the escape into the wild;
